THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI SATPAL MAHARAJ): (a) to (d) Reserve Bank of India (RBI) has reported that a fraud involving Rs. 31.79 crores was reported by Dena Bank during the last week of June, 1997 at its Mumabi (Gulalwadl) branch. The fraud came to light when the bank initiated steps to reconcile huge difference in the balance with the central clearing department account at the Gulalwadi and the service branch. A group of companies had opened accounts both with Dena Bank's Gulalwadi branch as well as United Bank of India's Kalbadevi branch. Cheques drawn on the accounts in the United Bank of India Kalbadevi branch were deposited in their accounts with Gulalwadi branch of Dena Bank. The parties were unauthorisedly accommodated by Gulalwadi branch of Dena Bank by giving immediate credit to the account-holders and the intruments were sent for clearing with delay which in some cases was 7-10 days. The parties were also favoured unauthorisedly so as to have their cheques cleared through the clearing mechanism for high value clearing branches although the Gulalwadi branch did not fall in the area of high value clearing branches. 49 cheques aggregating to Rs.31.04 crores were afforded credit in November-December, 1996 and the cheques were not sent for clearing thereby fraudulently siphoning off banks funds. The branch copy of outward clearing schedules was also manipulated.

Two officers of the Gulalwadi branch of Dena Bank have been placed under suspension. The bank has initiated action to look into the role of other officers also. Central Bureau of Investigation have also registered a regular case in this regard and have arrested two officials of the bank as well as one private person.

The Public Sector Banks at the instance of Government and RBI have teken several steps from time to time for prevention of frauds. These steps include issue of comprehensive guidelines by RBI for strengthening the control mechanism in banks, review of fraud cases on a continual basis by RBI, advising the banks of modus-operandi in ingenious cases alongwith required safeguards to prevent their recurrence, proper training of operational personnel and investigations and scrutiny into reported cases of major frauds as well as snap inspections covering systems and procedures and control arrangements in fraud prone areas by the RBI.
